The Family Suite

Ideal for families or friends, our two-bedroomed suite measures approximately 750 sq. ft. sleeping 4 comfortably in the former stables attached to the coaching house. Bright, airy, and recently renovated, the Family Suite also gives you that extra bit of privacy that some may look for.

The Suite has 2 bedrooms - a double (with a 5'3" bed) and a twin (with two 3' beds) - a spacious east & south facing living area, a large bathroom with shower & dressing area, plus outside access direct onto a terrace over-looking the pool. If you wish, we can also add a rollaway/put-you-up bed for a 5th person/child. At certain times of the year we do impose a minimum 3 or 4 night stay.

Please note that there are no cooking facilities or fridge available in the Suite. There is a DVD player for you to use in the lounge area.

🚭 *Once you pass the front gate, the house, the Family Suite and the outside areas are strictly **non-smoking**. The Swimming Pool 🏊 (closed Oct-April) has a safety alarm and measures 8m x 4m (26' x 13') and is 1.20m (4') deep.*
