

The Guestrooms

Your hosts, Richard (the 'Rosbif') and Philippe (le 'Frog'), have been running this bed and breakfast for over ten years and will endeavour to make your stay as comfortable and enjoyable as possible. *New for 2013 : the larger bedrooms have 160 cm/5'3" beds.*

The guestrooms are in a former coaching house, dating back to the 18th century, which has been carefully renovated to enhance many original features - open fireplaces, stonework and exposed beams. Each guestroom is en-suite with shower, wash-basin and WC. The larger rooms have 160 cm/5'3" beds and the cosy rooms have 140 cm/ 4'6" beds. Of the two larger rooms, one can be made up with two beds (one double and one single) – just let us know what you need when you reserve.

Additionally, if you are a family of four, or a few friends holidaying together, you may find our spacious **Family Suite** just what you are after. La Belle Demeure can welcome a maximum of 14 people.

The Swimming Pool (closed Oct-April) has a safety alarm and measures 8m x 4m (26' x 13') and is 1.20m (4') deep.

⊗ Once you pass the front gate, the house, the Family Suite and the outside areas are strictly **non-smoking**.
